# Experience the Northern Lights

## Advent Concert at the Danish Church in London

The Advent Concert 25 November at the Danish Church presents a good handful of Northern Lights - young, talented and London based Danish musicians. They gather for a snug and informal concert across musical genres. During the concert we will be singing Danish songs and carols.

### Performing artists at the concert:

#### **Tabitha Christophersen**, singer/songwriter

Pop, folk and electronica blend together into mesmerising melodies and a fragile and honest vocal delivery.

#### **Esben Tjalve**, pianist

The leader of jazz sextet Red Kite, renowned for its high-energy turns of moods and tune-led music.

#### **Anne Christine Wold**, singer/songwriter

Her songs are honest and heartfelt folk/pop songs with a warm atmospheric sound.

#### **Lone Madsen**, clarinetist

Is an exceptional and original artist, who takes the seductive sound of the clarinet to new levels.

#### **Florian Uhlig**, pianist

A versatile classical pianist, whose playing is marked by curiosity for all facets of music.

The organist Niels Christian Hansen and singers from our church choir will be performing as well.

Danish Christmas specialities "gløgg og æbleskiver" are sold after the concert.
